Are you a vibrant young person/youth/community-driven organization passionate about advocating for reproductive health and want to be part of a great team?

Are you interested in changing the lives of community members around you? Do you want to be an opinion shaper on matters of advocacy and evidence-based communication?

**We are looking for you!!**

Youth Changers Kenya (YCK) is a community-driven organization founded in 2015 to promote sexual reproductive health and rights and to address systemic issues of sexual violence among adolescent girls and young women in rural and peri-urban areas. YCK's work with girls and young women strives to provide the knowledge and skills necessary to pursue education, participate in policy spaces, delay pregnancy, make informed choices, and build self-confidence. YCK currently operates in Nairobi, Kiambu, Vihiga and Kakamega counties.

## WHAT ARE THE BENEFITS OF BEING A YCK MEMBER:

- Attend YCK related events; ranging from training, community forums, stakeholders meetings and workshops.
- Participate in online and mainstream advocacy.
- Access to networking opportunities.
- Coaching and mentorship sessions.

- Attend Annual YCK dinner - At a discounted fee.
- Learning and exchange sessions with young people and different professionals.
- Access to volunteer and internship opportunities.
- Technical support to grassroots initiatives.
